WEEKLY MEETING

At Chamber of Commerce Tomorrow
Night To Be Under Auspices of
River Improvement Division.

The River Improvement Division of
the Chamber of Commerce will have
charge of the meeting tomorrow even-
ing from 7 to 8 at the Chamber of
Commerce headquarters.

Mayor Thomas M. Russell, chair-
man of the division will preside. He
is being assisted by Director R. A.
Cochran and the members of the di-
vision, Messrs. C. M. Phister, J. C.
Rogers, Henry Gable and J. C. Ever-
ett.

A speaker of wide repute has been
engaged to deliver the principal ad-
dress of the evening and will bring to
us some new thoughts along the line
of river improvement.

After the address the meeting will
be turned over to the members who
are requested to bring their sugges-
tions to the meeting.

These meetings are being arranged
for the purpose of giving the mem-
bership opportunity to offer their sug-
gestions relating to each department and
division—encouraging closer fellow-
ship among the members and give the
different divisions additional infor-
mation on the work to be done. Make
an extra effort to attend the meeting
Tuesday evening. You'll enjoy it and
feel benefited.

What do you think the River Im-
provement Division should do this
year in the endeavor for better condi-
tions for our city?

Come to the meeting and make your
suggestions.

SLATTERY HAS GOOD RECORD

Thomas Cromwell, political docu-
menter for Kentucky, writes as follows
in yesterday's Cincinnati Enquirer:

"A short while ago it was rumored
that former Representative Elwood
Hamilton, of Frankfort, is slated to
succeed Thomas D. Slattery, of Cin-
cinnati, as United States Attorney for
the Eastern District of Kentucky, and
now comes from the eastern section
of the state the report that Commis-
sioner of the State John W. Waugh,
Grayson, is expecting that office."

"Well, now, let me slip you a tip,
said a man who is in the Federal ser-
vice and with whom the writer was
discussing these rumors. 'Slattery'
has made one of the very best at-
torneys the United States ever had in
any of its districts in or out of Ken-
tucky, and from what I have gathered
along the line the Department of
Justice will be sure to have some-
thing to say about anybody's suc-
ceeding him during the present Adminis-
tration."

BOARDS OF HEALTH

Of City and County Met at Courthouse
Saturday For Purpose of Taking
Necessary Steps to Prevent
Carrying of Smallpox
From Neighboring
Ohio Counties.

Since the river has cleared up and
the ferry has again resumed opera-
tions between this city and Aberdeen
it is expected that the farmers of
Brown and Adams county, Ohio, will
be bringing a great deal of tobacco to
the Maysville market to be placed on
sale.

As there has been an epidemic of
smallpox in those two counties, the
City and County Boards of Health met
in the courthouse Saturday to take
precautionary steps to prevent the
dread disease from spreading to this
section.

It was not thought necessary to
place a quarantine on those counties
but Dr. Locke, county health officer,
and Mr. Long, city health officer,
were instructed to visit all the ware-
houses today and see that all the em-
ployees had certificates showing that
they had been vaccinated in accor-
dance to a recent order made by the
two boards. If this has not been done
a special order will be issued im-
mediately requiring all warehouse em-
ployees to present certificates at once
showing that they have been vac-
cinated.

"KEEP OFF THE GRASS"

The Elk's big home-talent musical
comedy, "Keep Off the Grass," will be
staged at the Washington Theater
next Wednesday and Thursday, Febru-
ary 6 and 7. The cast includes some
of Maysville's best talent, and under
the direction of Mr. and Mrs. Jean
Jordan, will give the people of Mays-
ville one of the best shows of the kind
ever seen here.

BOTTLEGGING CASES CONTINUED

The cases of Walter Lewis, colored,
and Henry Gill, charged with boot-
legging, were brought up for trial in
Police Court Saturday, but on account
of the absence of several of the wit-
nesses, the cases were continued un-
til Tuesday.

Mr. and Mrs. Charles B. Hollstein
have returned home from a pleasant
visit to relatives at Baltimore, Md.

Mrs. O. H. Adamson and daughter,
Caryle, of Sardis, are visiting Mrs. D.
N. Peebles, of West Third street.

Mrs. Thomas Tolle remains criti-
cally ill at her home on East Second
street.

The thermometer was down to zero
this morning.

VINOL MADE THIS NURSE STRONG

Nothing Like it for Rundown
and Nervous People

Von Ormy, Texas—"I suffered
from a general run-down condition—
anaemia, loss of appetite and cough,
so I was unfit for my work. I tried
different medicines without help, and
through my druggist learned of Vinol.
I took it; my appetite increased, my
cough disappeared, I gained in weight
and I am now well and strong, so I
can conscientiously endorse Vinol."

THIS WOMAN SAVED FROM AN OPERATION

By taking Lydia E. Pinkham's
Vegetable Compound, One
of Thousands of Such Cases.

Black River Falls, Wis.—"As Lydia
E. Pinkham's Vegetable Compound
saved me from an
operation, I cannot
say enough in praise
of it. I suffered from
organic troubles and
my side hurt me so
I could hardly be up
from my bed, and I
was unable to do my
housework. I had
the best doctors in
Eau Claire and they
wanted me to have
an operation, but
Lydia E. Pinkham's
Vegetable Compound cured me so I did
not need the operation, and I am telling
all my friends about it."—Mrs. A. W.
BINZER, Black River Falls, Wis.

It is just such experiences as that of
Mrs. Binzer that has made this famous
root and herb remedy a household word
from ocean to ocean. Any woman who
suffers from inflammation, ulceration,
displacements, backache, nervousness,
irregularities or "the blues" should
not rest until she has given it a trial,
and for special advice write Lydia E.
